Dear Miranda,

Thanks to your generous support, clinicians in our network were able to respond quickly when Jose, a farmworker, showed signs of severe health risks while work in the field

Our team equips clinicians like his with the training and tools needed to identify and address urgent issues—like Jose's dangerously uncontrolled diabetes. Though Jose initial emergency care, the clinicians' expertise and resources helped stabilize him and secure a same-day appointment at a specialized clinic. Because of this coordinated care, Jose receiving treatment, re-engaged in his health and back to work.

Your gift empowers the clinicians who serve migrants, farmworkers, and immigrant families—helping them provide timely, compassionate care when it matters most.

Thank you for your contribution. Please keep the summary below for your records:
